LA BANDE À TYREX

IMPROMPTUS

La Bande à Tyrex offers a variety of shapes :

Walkabout / Cycleabout moments (les Impromptus) in the neighbourhood, in schools, workshops for kids or adults, Trick-cycling road trips around a region and other crazy projects for La Bande to share with local populations and audiences.

The special moments outside of the frame of the show that we propose aside one or several performances of the show La Bande à Tyrex.

We thrive to engage in reflexions in close collaboration with venues to create moments of sharing and meeting with audiences and residents welcoming us.
In each new place, La Bande à Tyrex shares un moment of their life and journey.
Instead of offering ready-made performances, we propose singular artistic moments that are fashionned and built around the area and its audiences.

In schools

We burst in the day to day of school for a few minutes. We tumble in the classrooms on our bicycles, we perform in the corridors in between classes and emerge in the playground during break for a more performative moment.

Tyrex Breakaways

We gather into a space, a parc, a neighbourhood for a few hours during which we play with the space, the architecture, the residents to create spontaneous moments with the people we meet, who live there or pass by.

We travel around, cycleabout outside of any designated stage area, we stop on a square where we can cycle, then leave, play music for a few people on a balcony, or at a café, we melt into the architecture around us and burst in the day to day life of a neighbourhood.

Tyrex Walkaboutss

Without warning, we burst into public places (marketplace, village halls, streets...) and we do a dazzling pop-up performance, musical and acrobatic, inspired by our show.
Lenght between 15 and 30 min

Exploration into non performative spaces

A factory, a museum, a business place, a library...
We take a few hours to visit the space, to understand its particularities and its constraints. We immerse ourselves into a space to create a site-specific performance of 20 to 30 minutes that we present straight away.
